

CASEY SPURLOCK

FrontEnd Developer

About Me

I am a passionate and detail-oriented web developer with an Associate's Degree in Web Development. I am eager to contribute my skills to a front-end development role. Proficient in HTML, CSS, JavaScript, and React. I bring a strong foundation in creating responsive and user-friendly web interfaces. My experience with MongoDB and enthusiasm for learning back-end technologies reflect my long-term goal of becoming a full-stack developer. I am excited to collaborate with innovative teams to deliver exceptional web experiences and continuously grow in web development.
